Thing } Lane County, Oreg., north side Salt Creek val-
named } ley, west slope Cascade Range, near lat. 43° 39',
Names long. 122° 10'.

Authorities

Mt. David Douglas

Proposed by L. A. McArthur, Sec., Oreg., Geog. Bd., and others, in honor of David Douglas, 1798-1834, famous Scottish botanist/who made a botanical exploration of the valley of Columbia River and southward in 1825-26. The Douglas fir, *Pinus Douglasii*, a species of gigantic pine, one of many discovered by him, bears his name.

Local usage

No name.

Lewis A. McArthur, Secretary,

Recommendation of Executive Committee

Submitted by
